

Key Partners

Ecoin's key partners consist mainly of Hidraqua. Hidraqua provides Ecoin with guidance, support and inspiration. Through Hidraqua, us at Ecoin, are able to learn about how to lead a company in a correct manner as well as how to take the right steps in order to achieve success through our goal of contributing to help the environment and making the world a better place. Like Hidraqua, Ecoin works on providing environmental consciousness to the population.
