

ALLIES

Our allies are conformed by diverser funeral homes, selling them our products for expanding their market while us have incomes coming from a part of their incomes got by the natural seeds, so every funeral home is a potential ally, thanks to the big amount of funeral homes all over the world expansion wouldn't be a tough step for us.

Also we'll be helped by diverser natural protection companies, because as We all know, the green side of our planet is slowly fading away, nonetheless our products are not only a special way of giving a farewell to our beloved friends and family, indeed is also spreading this green method to help the environment.
